Home Details

- Welcome to this charming 4-bedroom, 2-bathroom family waterfront home nestled on the south branch of the Rideau River (Kemptonville Creek).
- Enter the home into a foyer featuring luxury vinyl floors, a coat closet, updated window & an inviting front door. The addition of a french door creates a seamless transition from the entryway to the home.
- The spacious living room offers a comfortable place for family to gather, bathed in natural light, a large window provides a picturesque view of the front yard, oak hardwood floors exude warmth & elegance & crown moldings.
- A stunning new chef's kitchen featuring two tone cabinets, countertops with Vicostone quartzite, tiled backsplash, undermount double granite sink, a motion-activated & voice-activated faucet, ceramic flooring tiles, new light fixtures, pot-lights, sconce lighting & a window nicely positioned over the sink with a view of the outside. The abundant cabinets provide ample storage and are slow-close, along with the pot & pan drawers. The large built-in pantry has lower pull outs. The renovation included all-new wiring, outlets, & switches. Included are premium stainless steel appliances; Refrigerator, two-door range, microwave with hood fan & dishwasher.

Home Details

Main Floor

- The eating area seamlessly extends from the kitchen. It includes built-in display cabinets, wine fridge with different temperature control for red & white wines, wine racks provide additional storage for your collection & quartzite countertops. Plenty of space for a family table.
- The family room was completely renovated allowing for abundant natural light & offers great views of the backyard. Radiant in floor heating with premium vinyl flooring was chosen for its durability & contemporary look. The walls were upgraded with new drywall & paint, a wood accent wall adds a touch of character & warmth. A lighting/ceiling fan with remote control & custom transitional shade privacy blinds complete the room, making it a perfect place to unwind or entertain.
- Exit the family room to the landscaped backyard complete with approximately a 1100 square foot back deck, sanded and stained & solar lighting installed. Perfect entertaining space complete with gazebo to enjoy those summer days and evenings.
- The renovated powder room has quality ceramic tile floor, vanity with sink & faucet, toilet & ceiling fan.

Second Level

- Hardwood staircase leads to the upper level offering quality laminate floors in the hallway and bedrooms.
- The primary bedroom is a well-designed haven featuring a spacious layout, a large picture window, ample storage & thoughtful details such as custom blinds & crown moldings. This combination creates a comfortable & pleasing retreat within the home.
- There are 3 other good-sized bedrooms with ample closets, custom blinds and crown moldings.
- The 2019 renovation of the main bathroom introduced modern & luxurious elements, from the floating vanity & glass-enclosed shower to the advanced bidet toilet. These features, along with the thoughtful design choices & recent window installation, collectively create a stylish, functional & up-to-date bathroom space.

Basement Level

- The basement level offers a generous sized recreation room perfect for family movie night & features quality laminate flooring.
- The Gym was renovated in 2023 with new drywall, pot lights, outlets & framed in drain pipes on both walls with drywall.
- The laundry room was renovated in 2022 with new premium vinyl flooring, countertop with cabinets lower & upper, backsplash tile, pulls, paint, lighting, framed in & dry walled with access panels to conceal melange of all drain piping leading to septic.

Other Details:

- Installed on the whole exterior were new horizontal and vertical Kaycan represent a significant investment in both functionality and curb appeal. The combination of new siding, insulation, window flashing, soffit & fascia modernizes the appearance of the property.
- Installed - a new well 119 feet depth, well cap, water pump, water lines & pressure tank, sealed / chlorinated.
- Installed - a new septic system including tank, septic field bed, sand, excavation & plumbing lines.
